

# FROZEN STRAWBERRY CORONARITA (JACQUES)

- ¾ cup Tequila
- ⅓ cup Cointreau
- ⅓ cup Triple Sec
- Half can of Frozen Lemonade (more if you want it sweeter, less if not)
- 1 cup Frozen Strawberries
- ½ cup Fresh Strawberries
- 1 tbs Strawberry Liqueur
- Ice

Add all ingredients into a blender and fill halfway with ice. Blend until smooth and pour into a margarita glass. What's my secret ingredient? A Vitamix blender - it's the only way you can get that super soft fluffy snow-cone-like texture that really melts in your mouth!
